SOMEONE ELSE SUDDENTLY DIES

All of the members of St. George Cathedral parish family were deeply saddened to learn this week of the sudden and unexpected death of one of our parish’s most active members, known to us all by the affectionate name of Someone Else. As we approach the many activities of the months ahead, we must reflect, all of us, upon this very sobering and distressing news.

The untimely passing of Someone Else creates a loss that will be very difficult for the parish to fill. The reason for this, of course, is that Else has been a very active and faithful member of the parish for many years, and for every one of those years, Someone always did far more than a normal person’s share of parish work. Whenever a position of leadership and responsibility had to be filled, this wonderful person was looked to for inspiration and results. “I’m sorry I don’t have the time to help, but I’m sure you’ll find Someone Else” was the often heard answer. Whenever there was a job to do, a class to teach, a meeting to attend, or a voice needed for the choir, we often found ourselves saying, “I have to pass this time, perhaps Someone Else can do it.

Although he always tried to give anonymously, it has long been common knowledge that Someone Else was one of the most generous givers in the parish. Whenever we have felt financial need, we all assumed that Someone Else would make up the difference.

Someone Else was a wonderful person, but one person can only do so much, and everybody expected too much of Someone Else. Now that Someone Else is gone, we wonder what we are going to do. Since we can’t depend on Someone Else to do everything for us any longer, then all of us together must do the work necessary to meet the needs and serve the areas of ministry in our parish.

+ Father Andrew

Following the services we plan to participate in the dedication of the Great Room at the new Lodge which was donated by the Saint George Cathedral. A GREAT TIME AT MBC CAMP!

My experience at MBC camp was the best! Not only did I get to learn about Jesus, I also got to meet many new friends and do tons of fun activities. I remember the first day I was a stranger to everyone there, except for a couple of friends from St. George. I didn’t know if I was going to survive, but I did! My favorite period was Waterfront. Some days we went swimming or we did a lot of cool different games. Another thing I liked at MBC was Halftime. Halftime is when kids get to do anything they want, like go to the camp store, go swimming, or just hang out with friends.

But all great things eventually have to end. We ended MBC celebrating the Divine Liturgy with Metropolitan Methodios. The night before was the closing campfire, where every camper has a chance to share their experience with the whole camp. I decided to go up and share my experience. I remember saying “I came here only knowing 2 people in the cabin. But now I know 8 amazing people who I consider my brothers.” My time at MBC was the best! This was my fourth year at MBC and I know that I’m going back next year with St. George. I hope that you send your son/daughter/grandson/granddaughter to MBC next year also.

~George Tsirimokos

I asked George to share his summer experience at the Metropolis of Boston summer camp with our community. George exemplifies what we envision all our Orthodox Youth to be. George is an altar boy, member of GOYA, member of St. George Basketball team, and a very active member of the St. George Community. Congratulations to George’s parents Tom and Virginia Tsirimokos for teaching George the importance of being an active member of his community.

A few weeks ago the Sunday School Staff had a meeting to prepare for the 2011-2012 school year. We are excited and ready to return. We are looking forward to some new initiatives for the students which include becoming Prayer Buddies with community members. It will help them to feel connected to the community and we hope you will feel connected to the children. The Religious Education Department of the Archdiocese has prepared class expectation lists for the students at the elementary school level. These were distributed to the teachers at the meeting. We would like to share those lists with parents so we are planning to have a Parent/Teacher Sunday School Meeting after church in October. Particulars will be shared as soon as we have made final plans.

Included with this month’s newsletter is the Sunday School registration form. Please complete one for each child who will be in Sunday School and either return it to the Church office or bring it to Church on the first day of classes. I hope that all of you who have e-mail access will include your address. I have found this to be the best way to communicate with all of the parents.

Our youngest children must be 3 years old by September 30, 2010 and be toilet trained. Our program runs through Grade 10. I sincerely hope that you will bring your children to participate in all of our programs. Our volunteer Sunday School Staff is eagerly looking forward to working with you and your children. They come ready, willing, and prepared to teach. Here’s hoping that you will bring your children to us ready, willing, and prepared to learn. It will require a commitment from you and the children. Let the children know that this is an important part of their lives. They will take their lead from you. If you lead them, they will follow. Mark your calendars!!

Religious education is not offered in the public school setting. Sunday School is our only opportunity to gather the children together to learn about Our Lord and Savior Jesus Christ and the teachings of the Orthodox Church. The family that prays together—stays together. Let’s keep not only our immediate family together but our church family together as well.

If you have any questions or concerns regarding Sunday School please see or call me so that we can discuss them. I find it difficult to address a problem if you don’t tell me what that problem is. Together we can make this the best year ever!!
