A BRIEF MEDITATION ON LENT

All of us lead lives so filled with the demands of work and family that little time is left to us to cultivate the garden of our soul. In our preoccupation with the ceaseless business of life, our spirit, if not completely forgotten, is often sadly neglected. When we do find the time to look at ourselves honestly, we soon discover that the spirit of the world has gradually and imperceptibly eaten away at our good intentions; we have become shop-worn by the cares and self-centered spirit of the world.

Fortunately for us, the church recognized from its earliest days that we would need regular periods of reflection and renewed effort if we were to free ourselves from the relentless grip of worldly cares, to once again imitate the example of Christ and reflect it in our lives. It did so by developing the season of Lent, a season which invites us to renew our concentration on prayer, fasting, and almsgiving which lie at the very heart of Christian living.

Through the discipline of quiet prayer, we acknowledge and affirm the sovereignty of almighty God in our lives. In doing so, we surrender the notion of living according to the principle of power; we accept that we are not the measure of all things. In the practice of fasting, we seek to overcome the power that material things have gained over us; we strive to be servants of the sacred and not merely masters of the material and profane. Finally, we are called to almsgiving, through which we share the fruits of our labor with those in need, and thus surrender our natural tendency to be self-seeking. Prayer which unites us to God, fasting which curbs our ceaseless desires, almsgiving which allows us to actively love our neighbor as ourselves --- these are the transforming gifts of Lent, which for those of us in the Eastern Orthodox Church begins on February 27th.

If they are to convey their wonderful grace, however, we must make them the tools by which we deepen and enrich our faith and relationship to Jesus Christ. That, truly, is what it means to be a Christian. The wisdom of the ages invites us once again to this marvelous opportunity to find God in our lives; let us take care that we not waste it.

Defibrulators

The Cathedral is in the process of purchasing two defibrulators. One will be placed in the Narthex of the Cathedral and the other in the Community Center. Since there are always different groups in each building at different times and dates, we need to train as many people as possible in how to use the defibrulators. If you are interested in being trained, please let the office know and what are good times for you to be trained (i.e. weekday, mornings, afternoon or evening, weekend Saturday or Sunday mornings, afternoon or evening). We will schedule two or three times to train as many people as possible.

PRESIDENTS LETTER

Dear Fellow Parishioners,

The first few weeks back have been extremely enjoyable and exciting times with a lot of positive energy as parishioners reach out and ask how they can help. Some parishioners even indicated how much they enjoyed my "Inaugural Address". Wink, Wink. One parishioner even asked for the GLENDI dates so they could schedule their vacation accordingly. Now that's what I'm talking about!

Our first board meeting was held on January 16th and even though it was a holiday Father Andrew and the full board without exception indicated their willingness to meet that evening and get started on our work for the new year. In the past we always had a particular board member who always refused to meet on any holiday in the evening. My how times have changed! Father Andrew and the board had a very productive first meeting where ideas and thoughts were exchanged and all unanimously agreed we will all work together to our one common goal: We must all work together for the common good of our church and our parishioners. We must refrain and stay away from those who would try to destroy the church from within when stubbornness and adherence to the certitude of I am right and you are wrong dominate the discussions that take place. The arrogance that my side is right and I have all the wisdom has no place here at our church. We are all parishioners of this cathedral and we must all find common ground in order to build a better church to serve ALL of us.

We are in the process of forming committees as I send you this letter. The committees will be made up of board members and parishioners of our cathedral. If you would like to serve on any of the committees, please contact me at 361-3259 or the church office 622-9113. The committees include the following:: Finance/Bingo, Education/Youth, Capital Improvements/Maintenance, Technology/Publications, Membership, Human Resources, Community Activities/Senior Services/Outreach Program, GLENDI, Library/Museum/Bell Garden.

We have started to chart our course. I look forward to receiving your ideas, your thoughts, and your constructive criticism in order to share this information with the board and be as responsive as we can possibly be with all the parishioners of our community.

I love you all! Sincerely yours,
George N. Copadis, President,
St. George Greek Orthodox Cathedral

P.S. Our APOKREATIKO GLENDI will be held on Saturday February 25, 2012 from 7pm-11pm. The cost is \$10.00 per person and tickets are available through Toula Barber (chicken pot pie !) 668-6839 or Joyce at the church office 622-9113. Hope to see all of you there !

SUNDAY SCHOOL Nikki Moutsoulis

Lent is quickly approaching! The children will study lessons on the fast and preparations for Holy Pascha. Lent will begin on Clean Monday, February 27. What will you do to prepare? Fast? Pray? Do good works? All of the above in some way, shape or form?

SURRENDERING TO CHRIST TO MAKE LENT A LIFE-CHANGING EVENT

1. Surrender your hands to Christ. Make them hands of His love. Write a letter to a friend long ignored. Express your appreciation for your friendship; recommit yourself to this precious relationship.
2. Surrender your voice to Christ. Make it the voice of His love. Phone (NOT e-mail or text) two or three people you've intended to connect with but have not. Tell them what they mean to you or say "thank you" or "I'm sorry."
3. Surrender your deeds to Christ. Make them the deeds of His love. Take something you have made to someone who means a great deal to you, but for whom you rarely express your love—perhaps a fresh loaf of bread with your affection as a wrapping.
4. Surrender your feet to Christ. Make them the feet of His love. Visit someone who is home-bound, at the hospital, lonely or hasn't been to Liturgy in a while. Nothing can take the place of a personal visit. Don't expect to be rewarded, but do it simply because it is the right thing to do.
5. Surrender your heart to Christ. Make it the heart of His love. Make a list of 10 people—friends and otherwise—for whom you will pray daily. Forgive them if they have wronged you. Ask for forgiveness if you have wronged them.

St. John Chrysostom, Archbishop of Constantinople, in his sermon which is read on Easter Sunday speaks of those who fasted from the first hour and those who fasted from the eleventh hour and calls all to enter into the joy of our Lord. Let us all put forth our best effort to prepare from the first hour and see how our lives will change for the better when we surrender to Christ.

OLD GREEK 78 RPM RECORD DRIVE

Donate your old 78rpm Greek records to the Church and help us reduce our expenses. DJ Meleti will offer the Church a credit in return for old Greek 78rpm records. The records must be in good condition, without and chips or cracks. The credit we receive will help reduce our expenses for upcoming dances and for our festival. You may bring the records by the office anytime during the day.

ANNUAL COAT DRIVE FOR THE SALVATION ARMY

To Father Andrew, the Parishioners of St. George, Family and Friends,

I would like to send a HUGE thank you for everyone who contributed to my annual Coat Drive for the Salvation Army. This is my second year and I hope to continue through my senior which gives my 3 more years. It is always my goal to top my previous year's collection so save anything you or your family might out-grow or no longer wear for next years drive.

Most Sincere Thanks,
Katie Terrio
