## FATHER ANDREW'S MESSAGE

### SO YOU GRADUATED!!

Each of us has to believe in something, and we have to have faith in something. Otherwise life isn't worth living. So, let's take a look at these two great powers.

Belief is the foundation upon which we stand and build. The things, institutions, and people in which we believe form the background of life for each of us. They are factual and provable. But faith! And even though we may use the words interchangeably, faith runs on ahead of belief. It is actually the power that drives us toward an idea we have no proof of, but would like to develop. To use common street language, faith is the guts to risk something valuable in pursuit of an idea we can't prove. This is what give zest to life, makes astounding discoveries, and creates impossible achievements – a powerful faith which is grounded in an immovable belief. Know what you believe about your God, yourself, and your world. Write them down. Why? Well, this is the foundation upon which you will build YOUR future.

Then, moving to the dream side, what is your wildest ambition? Don't ask if it is provable, but is it a great idea worth spending a lifetime to develop? Don't fool with anything less. You've got only one life, and a short one at that, in comparison to eternity. Don't waste it on the insignificant, but take a step in the dark toward some great goal and never give up. And be assured that the driving power of that faith will open doors that won't open to any other power.

There is something else that is very important for you should know. Life is good!!

Naturally, there are troubles, sorrows, and pains. No one escapes these. But life can and is full of many successes, happy times and gains. So, in whatever condition you find yourself, don't whine, but start counting the blessings that are an abundant part of your life. (Adapted)

## PRESIDENT'S MESSAGE

Dear Fellow Parishioners,

Congratulations to our high school and Sunday School graduates. Once again, St. George played host to the scholarship recipients on Graduation Sunday. Our students are fortunate to have the entire Greek community behind them and supporting them as they pursue their educational goals. Kai se anoteria!

Many thanks to the Sunday School teachers who worked with our students this year. I was delighted to hear that our Sunday School graduates volunteered to be helpers in our program next year. Athena Moutsoulis Bevan will be our Sunday School Supervisor next year and I know I can count on everyone to work with her to ensure the success of our program. It was a joy to serve as Sunday School Supervisor once more. I appreciate the support of the parents and community because without that support we would not have been successful.

On Father's Day the GOYANS took over the duties of the Board members in the Narthex. It was wonderful to have them help out and they all did a great job! Our gentlemen took the opportunity to worship with their families.

As the school year comes to an end we all tend to think of vacation and relaxation but for us it is just the beginning of our preparations for Glendi. As I write this the stuffed peppers have been prepared and are tucked away in the freezer. Glendi cooking is going into high gear. Do you have some free time when there is a cooking day? Feel free to join us!!

By the time you receive this newsletter we will have had our second Glendi Meeting of 2013. George Copadis is doing a spectacular job of pulling together our ad book. Have you purchased an ad yet? It's not too late! Have you volunteered to work in a booth during Glendi? There's a sign-up sheet enclosed. Fill it out and turn it in to the office and someone will contact you. Please don't wait to be asked.

I would like to thank Dick Anagnost for taking time out of his busy schedule to meet with Anthony Blenkinsop of the Attorney General's Office and answer all questions which

were presented to him. As a result, he sent the letters from Mr. Blenkinsop to each of you at my request because I wanted the community to know that we had fully cooperated with the Attorney General's Office. At the time we thought that the case was closed. A few more questions have arisen and once again he will be meeting with Mr. Blenkinsop. I am certain that his next meeting will finally put to rest ALL questions once and for all. We can then put this chapter in our history books and move on with the work of the Cathedral.

Sincerely,  
Nikki Moutsioulis

Dear Fellow Parishioners,

We hope you are enjoying the beautiful summer weather !

First, we want to offer our dearest and sincerest thanks for ALL that you are doing in order to make this GLENDI the best of all-time. We want to especially thank ALL the ladies who continue to show up during these hot summer months in order to cook all the Greek foods that our customers will be enjoying once again over GLENDI weekend September 20th, 21st, and 22nd.

Our ad book is moving along and we have received a significant amount of generous donations for patron ads, quarter page ads, half page ads, and full page ads for our highly successful GLENDI Ad Book. We have also secured our sponsor list which we will share with all of you at our second GLENDI meeting scheduled for Wednesday, June 26th in the Community Center at 7pm.

As we have indicated previously we welcome any and all that would like to experience all the excitement that takes place at our premier event known simply as the GLENDI. Please consider asking your relatives and friends if they might want to participate at our festival over the three day weekend. Any time that they might be willing to donate would be deeply appreciated.

With all that said I have once again reached out to our printer in order to plead for an extension on this year's ad book. He has graciously agreed to grant this extension until Wednesday, July 31st but this is the last day that we can accept ads in order to have the book and ads to the printer and review the draft for the book in time for our September GLENDI.

If you have already contributed we offer our deepest thanks. If you haven't yet made a donation please consider this request so we can ALL show the tremendous amount of support our parishioners and the Greater Manchester businesses have for our GLENDI.

Thank you for your time and consideration. We look forward to working with ALL of you in order to make this year's GLENDI the biggest and best of all time !

Sincerely,

George N. Copadis, Dick Anagnost

September 20,21,22, 2013

Chairmen for this year's Glendi have been selected and are currently seeking enthusiastic volunteers to contribute their talents and skills. This is the major fundraising event of our community and in order to succeed we must have each member of our community contribute. If we all give a few hours of our time over the weekend, it will truly be a community event. Maybe you can have the whole family volunteer and work together at a booth. Complete the form and you 're on your way to doing your part.

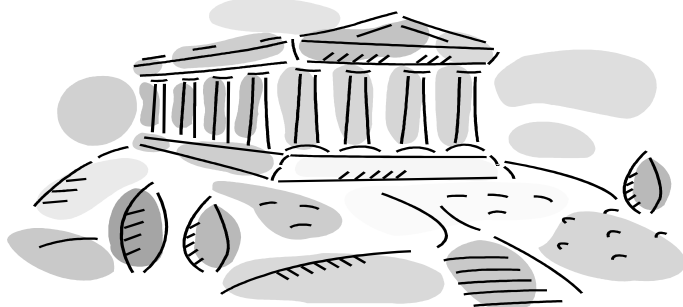

Thank you,
