Dear Fellow Parishioners,

I am humbled by the faith of our board to once again elect me as your president. Many thanks to the other officers who have stepped up to lead in their service to our community: John Stavropoulos, Andrew Papanicolau, Phil Blatsos and Tim Giotas. A warm welcome to our newest board members Kelly Hebert and Cathy Moufarge and a sincere farewell to departing Chuck Smith and John Mokas for their past service. The whole community is thankful to past president Nikki Moutsioulis for her two years of leadership as she continues to serve with me on the 2015 board. I also need to thank Alice my spouse of almost 42 years for her love and full support that allows me the time and structure at home to again accept this responsibility.

The task at hand is a challenge unlike times of the past this president does not have a priest to rely on to partner with for the best interests of our community. Priority number one is for our board of directors to successfully interview and then hire the very best one available to shepherd us going forward. We are all working to find the right man to be our pastor. With the fact that the Assumption is also without a priest an unhealthy situation has developed which needs to be promptly dealt with before some family maybe yours maybe mined is truly hurt by this void. The Metropolis is fully aware of the Manchester situation and its inherent danger and thus the need to resolve this without delay. Please continue your patience and your prayers to this ordeal are over.

Our stewardship drive is also very important. We must all step up with our time, talent and resources to keep St. George healthy and strong Every Sunday we see someone who have not as yet joined with a pledge to their church. More regrettablly is the many we do not see, who have put off doing the right thing. Stewardship is more then money it’s about giving, giving of ones self, being part of the community, joining in worship, praying together, caring about each other. There is no minimum amount so please follow your heart and make a commitment, There will soon be a phone drive to better explain our need for help, the stewardship committee wants to talk to you. It takes a lot of resources just to open our doors some $80,000 a year goes just for oil, gas and electric, many thousands more for staff and assessment to the diocese. Our future pastor while indispensable will also be expensive. Those that have committed thank you if you have not we need your help now, we need some action on your part so we can fulfill our commitments back to you and your loved ones. A commitment to all who claim “oh we are members of ST.GEORGE”.

Please review the upcoming calendar for the events and happenings you are interested in, lots of things going on are your church. These events take stewardship TIME, Talent and Resources. God bless you all and may God continue to bless our community of St. George.

See you at divine Liturgy,

Frank C. Comerford

CUB SCOUTS
The Cub Scouts had a great start to the New Year! We had our Winterfest on Jan 17th, and although the temperature never got above 20 degrees, we still had boys out on the ice shooting off rockets, and they had a great time! Everyone was bundled and safe, and it was a great event! Winterfest was followed by a successful Spaghetti Dinner on 1/24! Again, we thank the Community for their support for this fundraiser for our Pack! Finally, on January 28th, we had our Hollywood Pack Meeting...with all the glitz and glamour of the Academy Awards...Scouting style!

February is shaping up to be busy. We are participating in Scout Sunday on February 8th. We are also preparing for our Blue and Gold Banquet, which will include our first Arrow of Light and major "Cross Over" to Boy Scouts; and our Pinewood Derby, which is going to be March 15th. We will wrap up February with some Snow Tubing at McIntyre Ski Area on February 27th.

Thank you all again for the support you have shown the Scouting Programs!

Yours in Scouting,
Jason Cote

URGENT NEED FOR FOOD
The demand for food assistance is at an all time high and food bank supplies are at a record low. Help is needed to fill their shelves and ensure that some of the poorest residents of our community receive food. The greatest needs are: peanut butter, jelly, tuna fish, canned vegetables, canned fruit, cereal, pasta, and sauce. Please drop your items off at the Community Center and we will deliver them to the soup kitchen. New Horizons and the recipients of the food are very grateful for your generous donations.

**Sunday School Save the Dates!**

Dear St. George Community,

I want to take this opportunity to thank the parents and family members who are participating in our Sunday School program. If you haven’t joined us yet, it’s not too late! We welcome new students at any time. Join us in 2015! The Feast of Saint Valentine is an official feast day in the Anglican community as well as in the Lutheran Church. The Eastern Orthodox Church officially celebrates Saint Valentine twice, once as an elder of the church on July 6 (Saint Valentine the Presbyter) and once as a martyr on July 30 (Hieromartyr Valentine). We all know that February 14th is Valentine’s Day. What you may not know is why. It’s still unclear, but some historians claim it all started with a man named Valentinus. Valentinus was a kind physician who took an interest in a young blind girl. With his healing skill and his deep faith he restored her sight. What we now call Valentine’s Day began when he sent the little girl a secret message, which she received after the Christian martyr was executed on February 14. The day was first associated with romantic love in the circle of Chaucer in the high middle ages, when the tradition of courtly love flourished. In the 18th-century England, it evolved into an occasion in which people expressed their love for each other by presenting flowers and sending valentines. In Europe, Saint Valentine’s keys are given to people “as a romantic symbol and invitation to unlock the giver’s heart.” Whether you believe all or any of the stories surrounding Valentine’s Day or if you choose to celebrate or not celebrate, one thing is certain. Jesus’s love for us and for our children. The Sunday School children are learning that no matter what-Jesus loves us! We do not need a specific day on the calendar to show our love for Him. We express our love for Jesus everyday, in many ways. We pray, go to church and like the Christian martyr Valentinus, we help and take care of others in time of need. I invite you and encourage our children to take their “Saint Valentine’s key” and “unlock” all of their love for Jesus! Details for the Sunday School Spring Philanthropy will be coming soon! Stay tuned! Sincerely,

Athena Moutsiouli Bevan
